PROFESSIONAL SUMMARY

Versatile and performance-driven professional with extensive expertise spanning Executive Assistance, Academic Operations, Customer Support, and International Travel Planning. Demonstrated success as a Dean of Student Affairs, managing high-level administrative governance, student engagement, and operational compliance across higher education institutions. Proven track record in designing end-to-end travel consultation workflows, managing customer support architecture, and delivering university lectures in management disciplines. Adept at leveraging modern tools (Google Workspace, HubSpot CRM, Intercom, Notion, Trello, Slack) to optimize workflows, build scalable operational frameworks, and elevate client and stakeholder satisfaction.

CORE COMPETENCIES

- **Executive & Administrative Support:** Executive Calendar & Email Management, Workflow Optimization, Governance & Liaison
- **Student Affairs & Academic Operations:** Campus Administration, Policy Enforcement, Curriculum & Schedule Logistics
- **Customer Success & Support Management:** CRM Workflows (HubSpot, Intercom), Ticket Escalation, Retention Optimization
- **Travel Advisory & Tour Management:** End-to-End Itinerary Planning, Tour Guiding, Visa Processing Support
- **Languages:** English (Professional/Native), French (Conversational/Intermediate)

PROFESSIONAL EXPERIENCE

Dean of Student Affairs

ESCT University — *Benin Republic* | **September 2020 – April 2026**

- Headed student affairs operations, managing administrative compliance, conflict resolution, and student engagement policies across campus.
- Served as the primary executive liaison between university leadership, academic boards, and the student body to maintain institutional standard operating procedures.
- Oversaw non-academic operations, student welfare frameworks, and university event logistics for 5+ academic years.

Operations & Student Administration Liaison (University Lecturer)

Academic Institutions (ESCT, IMM, ESCAE Universities) | September **2021 – April 2026**

- Oversee operational delivery, curriculum planning, and student administration policies for management courses.
- Act as primary administrative liaison between university management, academic staff, and student bodies to ensure smooth execution of academic schedules.
- Coordinate student engagement policies across multiple university campuses.

Customer Support Specialist

HPWIZ Properties and Services | September 2017 – September 2022

- Managed customer inquiry channels, resolving complex support tickets and maintaining high retention rates over 5 years.
- Implemented structured onboarding frameworks and improved customer response turnaround times.

Executive Assistant & Administrative Specialist *(Freelancing Advisory Services)*

Cotonou, Benin Republic | August **2025 – September 2026**

- Provide high-level executive support, managing complex calendars, email correspondence, and administrative workflows for diverse clients and stakeholders.
- Design end-to-end travel consultation and advisory workflows aligned with international travel guidelines for client itineraries.
- Implement customer onboarding and retention frameworks using HubSpot CRM and Intercom to streamline service adoption and customer health monitoring.

Tour Guide & Travel Planner

HPWIZ T & T LTD & **Northline Immigration LTD** *(Simultaneous)* | **August 2025 – September 2026**

- Designed end-to-end travel itineraries, managed group tours, and provided comprehensive client travel advisory services.
- Facilitated visa application processing workflows and ensured strict compliance with international travel and immigration documentation standards.
- Coordinated client consultations and travel logistics across West African destinations and international transit hubs.

Logistics Team Member & Co-Organizer
